

Signe Skott Cooper Hall Grand Opening & Alumni Reunion Events

The University of Wisconsin–Madison School of Nursing cordially invites you and your family to celebrate the grand opening of Signe Skott Cooper Hall, the School's 90th Anniversary, and the Alumni Reunion this fall.

These celebrations invite each of us to honor the legacy and embrace the future of the School of Nursing. They are an opportunity to reconnect with former classmates and colleagues and to explore Cooper Hall, one of the most innovative and advanced teaching and academic research facilities in nursing across the nation.
